Turn off water and relieve pressure before working on your faucet!

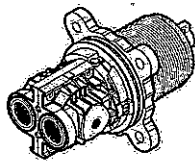

[Cierre la agua y alivie la presión antes de trabajar en el grifo. Coupez l'eau et dépressurisez avant de travailler sur le robinet.]

1 Cartridge Removal Retiro del Cartucho Déplacement de Cartouche

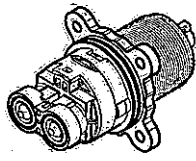

* Removal is the same regardless of cartridge owned.
* la extracción es la misma a pesar del cartucho que posea
* l'extraction est la même malgré la cartouche dont elle dispose

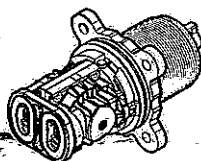

2 Identify your Cartridge Identifica tu Cartucho Identifiez votre Cartouche
